SAFETY, LUXURY & SELECTION

One of our best models for enclosing outdoor living areas or for a new garage door to complement the architecture of a modern home, is the stylish Modern Classic 7500. With its completely clear panel, this modern and architecturally refined garage door will instantly boost your home's curb appeal.

Tongue & Groove Section Joints **1**

Precisely designed section joints reduce air infiltration and create weathertight seal.

Anodized Aluminum Frame **2**

Frame members are mechanically fastened at joints creating an exceptionally high strength door frame.

Optional Insulation **3**

Options include (EPS) polystyrene insulation in the door frame as well as insulated glass.

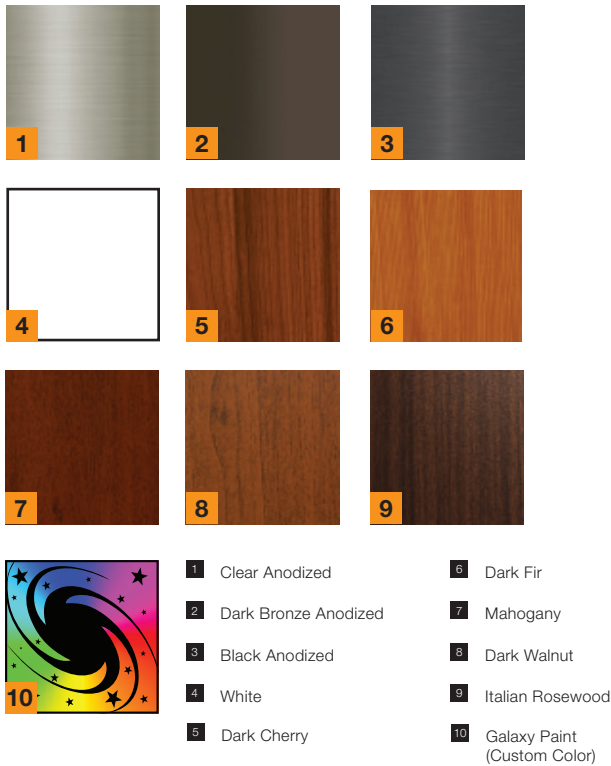

Glass Panels **4**

Clear tempered glass is standard and many other options are available.

Bottom Weather Seal **5**

Keeps out wind, rain, debris and other elements for added energy savings.
